training for the harvest

The call to bear fruit for the Glory of Christ resounds throughout scripture. Jesus' teaching is saturated with references to fruitfulness – 'the harvest is plentiful', he declares... 'But where are the workers?'

Project Onehundred is a new course designed to prepare and equip us to bear more fruit for Christ. Our desire is to be those whose lives have a high yield, and we intend to press into Christ so that we might be those of whom he spoke when he said "and some seed fell into good soil and grew and yielded one hundredfold." (Luke 8:8)

Project Onehundred will run over four weekends each year. The time will be split evenly between raw theology (using the Newfrontiers UK Wordplus course) and practical topics.

Each weekend consists of a Friday evening session (7pm – 9:15pm) and approximately four sessions on Saturday (8:30am – 4pm).

The dates for Project Onehundred 08/09 are as follows:

Oct 17th/18th: 'Understanding People' - Ian Ashby (Harbor Church, NH) and Simon Wong (Christ The King Church, NH).

Dec 5th/6th: Wordplus Module 1, The O.T - Ian Ashby and Ian Jukes (Harbor Church, NH).

Feb 20th/21st: 'Building a Contagious Church' - Rick Hein (Jubilee Church, MI).

May 1st/2nd: Wordplus Module 2, The Greatness of God - Tim Chambers (Joplin Church, MI).

The venue is to be announced and there will be no written assignments or coursework.

The cost to attend Project Onehundred 08/09 is \$160
